

GUIDELINES FOR SPRING BREAK

1. Don't turn off your heat.

It has been unusually cold this year. You do not want to return to burst water pipes.

2. Secure your stuff!

Spring break is prime time for thieves. Be sure ALL windows and doors are locked securely. Take with you valuables, such as your laptop, I-pod, etc.

3. Follow the laws wherever you are.

Find out what the local laws are! You are subject to the local laws, no matter where you are.
